

## **CONTRACT FOR USE OF PERCUSSION AND BAND EQUIPMENT**

PLEASE READ CAREFULLY AND RETURN BY OR BEFORE 27TH OCTOBER 2017.

1. Pupils playing the percussion instruments, glockenspiel, keyboard or bass guitar are required to pay a maintenance levy of \$60 annually. This is used to purchase and maintain a range of percussion instruments and band equipment that is made available to pupils for use during band tutorials/rehearsals and performances.
2. Percussion instruments and band equipment made available to pupils is at all times the property of Wheeler Heights Public School. Students are at all times responsible for the care of school owned instruments and equipment.
3. Pupils playing the drums are required to provide their own drumsticks at all tutorials/rehearsals and performances. Pupils are responsible for the replacement cost to those drumsticks in the case of damage or loss.
4. Pupils playing the bass guitar are required to provide their own guitar. Amplifiers are provided for use at tutorials/rehearsals and performances.
5. **Percussion instruments and band equipment are supplied in good working order. Any damage to or malfunction of an instrument or equipment must be brought to the attention of the Conductor or Equipment Administrator as soon as possible.**
6. Where it is considered by the Equipment Administrator that damage to an instrument or equipment is unreasonable, the cost of all damage repair or replacement must be met by the pupil. Unreasonable damage will involve damage beyond the usual wear and tear expected for the relevant type of instrument or equipment, reflecting poor care and treatment of the instrument or equipment.
7. Unreasonable treatment of and/or damage to percussion instruments and band equipment may lead to the School Principal or the Band Committee revoking band membership in accordance with the Band Contract signed by all pupils fees.

### **AGREEMENT TO CONDITIONS**

I hereby agree to the above conditions and accept full responsibility for my involvement in percussion band at WHPS.
